Map of our Township

Dorr Township Library

Welcome to our Township and to our Library!

To our new resident,

Welcome to our town! Dorr has a long and wonderful history and I can't wait to see what a wonderful addition you will be! Dorr has that wonderful small town feel with community oriented programs and fantastic opportunities for you to be involved in your new community from the library (always looking for volunteers, instructors for all sorts of things you are passionate about, and suggestions for classes, books or movies) to the schools and local churches. And before I forget, join the Dorr Business Association, our American Legion, the Moose Lodge, the Dorr DDA, Then & Now Historical Society or the Lions Club.

Don't miss out on our community's annual events like our three day 4th of July Celebration, Trunk or Treat, Easter Egg Hunt (with the Easter Bunny), Christmas Breakfast (with Santa), Dorr's Mini-Comic Con, or Dorr's Wurst Fest. Close to the city and yet with firm country values, Dorr is a wonderful place to raise a family. Don't be a stranger, read about all the things you can get involved with any time of the year.

I hope that our Welcome booklet will help you make the most of your new community.

Library Director

Library Board of Trustees

Our Library Board of Trustees is composed of 6 community members (you must live in Dorr Township to serve on our Library Board) who serve 4 year terms. Board members are elected every four years running in the August primary elections and the November presidential elections for their seats. The library board serves with no compensation. The library tries to budget for board education through trustee workshops and trainings.

Our board president is currently in the process of creating materials for any government students who are required or offered extra credit to attend a local government meeting. Our board will become a teaching board. Since we have fewer materials to cover at each meeting, the board will be able to slow down, answer questions and explain the process of what we are doing for students who choose to attend our meetings.

Below is a list of our current board members and their positions. The board self elects a president, vice president, treasurer and secretary each December to serve the following year.

President: Rachel Vote

Vice President: Barb Gibson

Treasurer: Marcia Brock

Secretary: Sara Rydman

Trustee: Jennifer Klug

Trustee: Tara McMillan

Where does our funding come from?

The library has about a \$150,000 yearly budget, which is smaller than 10 of the 13 libraries in Allegan county. The largest portion of our funding comes from the millage you pay (about \$60,000); penal fines and funds from the township make up the next largest portions (about \$40,000 each) followed by donations, grants, fines, and state aid.

Want to get involved? Here's how!

📖 **Volunteering:** The library loves its volunteers! We encourage you to volunteer to improve your community and get to know the area better, and what better place to do that than the library! Books always need straightening, cataloging and covering.

We are always looking for people who are willing to share their passions and teach classes here! Because of our limited budget we are always looking for help from our community to provide quality educational programming.

📖 **Donations:** Do you have books that you moved here and don't know what to do with now? Spring cleaning and need to get rid of those craft supplies that you know you'll never use? Or did you get a new e-reader and want to donate the old one to a good cause? Bring them down to the library! We love donations!

📖 **Advocacy:** Love the library and want everyone to know how great libraries are? Be a library advocate! Tell people about libraries, why they need them, write letters, get involved in advocacy. Come in and talk to us about what you can do! Or let us know what you want to do and we'll help if we can.
