

# *Dorr Library Newsletter*

December 2020

## **DISTANCE LEARNING AND THE LIBRARY.**

The Dorr Library offers 4 Wifi Hotspots available for checkout to Dorr Township Patrons. You must be over 18 and provide ID to check out hotspots. These can be picked up Curbside with an appointment. The library's Wifi also reaches out to the parking lot and can be accessed 24/7.

## **FINE FORGIVENESS**

Return overdue items before December 31st and have all fines forgiven! It doesn't matter how long the item has been checked out, all fines attached to it will be forgiven (restrictions may apply, limited to Dorr patrons and Dorr items). Thank you to the community for supporting the library.

## **PROGRAMMING**

Due to the most recent shut down, in-person programming is not an option. However, we would like to keep patrons engaged online and through "take and makes". Keep an eye on the library social media, especially Facebook, for more news on this. We will post links to things like virtual escape rooms, scavenger hunts, games and more!

## **Curbside Pickup**

The library is curbside pickup only until January 4th, 2021. Curbside appointments can be made online through the google form linked on both our Facebook page and website or by calling the library at (616)681-9678.

### **Curbside hours:**

**Tuesday: 10am-2pm**

**Wednesday: 10am-5pm**

**Thursday: 12pm-8pm**

**Friday: 10am-5pm**

**Saturday: 10am-2pm**

## **CHANGE AHEAD**

**THE DORR LIBRARY WILL SOON HAVE A NEW DIRECTOR AND A NEW BOARD. WE ARE EXCITED TO WELCOME THESE NEW PEOPLE AND THE IDEAS THEY BRING TO OUR COMMUNITY.**
