

Step 9: Now to make the stem. Get a new piece of paper and place it color side down.

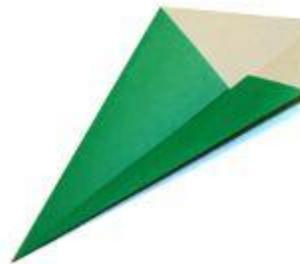

Step 10: Fold the upper left corner down to the bottom right corner, then unfold.

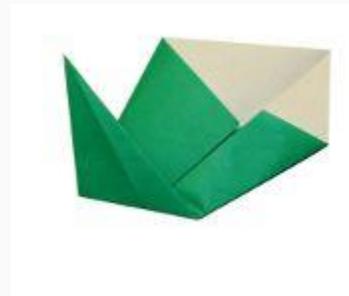

Step 11: Fold the left edge to the center crease.

Step 12: Now fold the bottom edge to the center crease. It should resemble a kite like in this picture.

Step 13: Again, fold the bottom edge to the center crease.

Step 14: Take a portion from the bottom and fold it up diagonally as you see in the picture.

Step 15: Turn the figure over.

Step 16: Finally tape the sunflower to the stem. Good job!
