

## Fish-in-a-Bag Slime

1. Add  $\frac{1}{4}$  cup of water to a the bowl.
2. Add 6 oz. ( $\frac{3}{4}$  cup) clear glue
3. Add food coloring and glitter.
4. Stir well.
5. Add  $\frac{1}{2}$  cup liquid starch to mix and stir well.
6. Let sit for about 5 to 10 minute for water to reabsorb.
7. While you are waiting go up to the front table and pick out your fish (2 per bag) and your treat bag and twist tie color
8. Knead slime so it is no longer sticky.
9. Add your sea creatures and put your slime and creatures into your treat bag, using the twist tie to close it.
