

Glow-in-the-Dark-Slime

1. Add 6 oz ($\frac{3}{4}$ cup) of clear glue to a bowl
2. Optional: Add vetiver essential oil (10 drops)
3. Add 2 TEASPOONS (tsp) of glow-in-th-dark paint.
4. Add 1 TABLESPOON of glow-in-the-dark powder.
5. Add 1 TABLESPOON baking soda
6. Stir together until thoroughly mixed.
7. Add 1 TABLESPOON of contact solution to bowl.
8. Mix well. It will be ready to leave the bowl when it pulls away from the edges. More may be needed to be added.
9. Remove slime from bowl (again will be sticky). Knead until nice and smooth.
