

How to interlibrary loan (Mel):

The screenshot shows the Michigan eLibrary website. At the top, there is a blue navigation bar with the Michigan.gov logo on the left and links for eJournals, MyMeLCat, Contact Your Library, and Help on the right. Below this is a white navigation bar with the MeL Michigan eLibrary logo (Supporting Michigan Libraries) on the left and links for eResources, Library Staff, and Educators on the right. A blue banner below the navigation bar contains the text: "MeLCat requesting has resumed for most libraries. Check [Participating Libraries](#) to see if your library has resumed participation." The main content area features a large image of a woman in a red hijab looking at a tablet in a library setting. To the left of the image, the text reads "Find the right resources. Better. Faster." Below this text is a search bar with the placeholder text "for music, books, audio, and more" and a magnifying glass icon. The search bar is highlighted with a red rectangular box. Below the search bar, the text "MeLCat Classic" is visible.

Step 1: Go to Mel.org and search for what you are looking for (only do this if you have already searched the Lakeland catalog and it is not available).
