TEEN PROGRAMMING!

We are starting new programs just for teens!

These programs include Cupcake Wars, Teen Takeout, Manga/Anime Club, a Live Among Us game, Adulthood 101 gameshow, and more!

Ages 13-18 are welcome unless otherwise specified! Some of these programs will be individual and some will be team events, so bring your friends and sign up for our teen library programs!

LIVE AMONG US

Wednesday, February 9th @ 6pm
Ages 10-18!

Do you love the game Among Us?

Get ready to play in real life! Tasks will be set up around the library and each person will secretly be designated either a crewmate or an imposter!

The goal is the same as in the game! The crewmates want to either complete all of their tasks or vote out the imposter to win. The imposter wants to "kill" all of the crewmates to win!

10 people, 8 crewmates, 2 imposters. Who will win?

Smoothie Experiment Night

Come out for a night of experimentation to see what makes the best smoothie!

Work in groups of three or four and experiment with ingredients to create the best smoothie to present to the other groups at the end of the night!

Peanut butter and banana? Berries and juice? Yogurt and cookies? What will make the best smoothie?

Valentine's Candy Olympics

Try your luck at the Candy Olympics! 4 great events where everyone leaves with candy!

Bring your family for some Valentine's fun!
