## New Events!

This month the library will be hosting some events that might be new to you, such as the Great Pumpkin Hunt and the Murder Mystery Packs!

The Great Pumpkin Hunt will actually take place throughout town! There will be several rocks painted to look like pumpkins hidden throughout Dorr. On the back they will say "Return to Dorr Library for a Prize!" When you bring the pumpkin into the library you will receive a full sized candy bar and a fun Halloween activity packet!

The Murder Mystery Packs are take home activities that you pick up from the library. They will contain suspects, evidence, clues and more for you to solve a crime from the comfort of your own home!

Keep an eye on Facebook for any other fall activities the library will be participating in this year!
