Did you know we are always interested in what you want to learn? Let us know! We want to schedule classes and buy materials that you want to use.

A NOTE ABOUT FALL PROGRAMING

We are in the midst of planning programs using money we received from the Allegan County Community Foundation. This means that some of the programs listed above may be subject to change.

We are very excited about the programs we are planning to bring you using this grant. The first one is Cheese making on August 10. Another we are looking in to planning is Food Preservation. Some others that are still in the planning stages

are Basic Car Maintenance, Basic Electrical, and Basic Plumbing.

Please know that once these programs are announced, they will fill up fast, so if you are interested, please make sure you sign up as soon as you are able! If you find you are unable to make it to the program, please let us know so we can move waitlisted people into that opening.
