Storytime Every Tuesday at 10:30 AM

PLATES 'N' PAGES

...is a series of evening programs for families this fall at Dorr Township Library! Join us for a community dinner followed by a family storytime with a special guest storyteller and hands-on arts and crafts!

HALLOWEEN PARTY

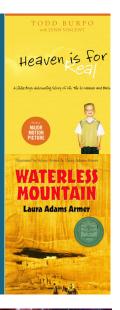

Celebrate Halloween a day early at our Cryptid themed Halloween party! Big Foot, Mothman, The Loch Ness Monster, and more crazy cryptids will be coming together to help us close out spooky season!

COMICS PLUS!

Your Dorr Library card gives you free access to Comics Plus—thousands of digital comics and graphic novels for all ages! No holds, no wait lists, no limits—just sign in with your card and start reading anytime.

BOOK CLUBS

Looking for great reads and even better conversations? Our Adult Book Club meets every third Thursday to dive into thought-provoking books across genres. Young readers can join the fun too with our Junior Book Club! Designed for kids who love to read independently, this remote program lets participants pick up a copy of the selected book, read at their own pace, and submit a short feedback form—no in-person meetings required.

MARTIN SHOEMAKER - WHAT'S UP THERE SCIENCE PROGRAM

Join acclaimed science fiction author Martin Shoemaker for a captivating journey through the cosmos as we explore the incredible variety of celestial bodies that populate our universe. From blazing stars and mysterious black holes to icy comets and distant exoplanets, this presentation will reveal the science and wonder behind each type of object in space.

DIY Witch Hat

Join us for DIY Witch Hat Decorating, where we'll transform plain black witch hats into unique, personalized creations!

Pick Your Poison

Get ready for some spooky fun at our "Pick Your Poison" craft program! We'll be making these adorable potion shelf displays, perfect for your Halloween decor.

Fall/Halloween Busted Canvas

Join us for our Busted Canvas Craft program, where you'll create stunning art by breaking your canvas in this trendy, viral project that's taking over online feeds right now!
